

**CRAIG H. NEILSEN FOUNDATION CREATIVITY AWARD
HONORING DAVID GATER, M.D., PhD
APPLICATION FORM**

The application must address the following areas in the order shown below. Use Arial 12-point, single spaced, 1" margins.

1. Project title
2. Name, contact information and institutional affiliation of applicant
3. Name, contact information and institutional affiliation of mentor (for research proposals) and supervisor (for programming proposal)
4. Applicant statement describing the project.
5. Summary of the project including rationale, relevance and objectives to be achieved. Describe how what is learned could benefit the SCI population and how the benefits of the project will be sustained
6. Submit a budget not to exceed \$30,000 with a brief narrative for the following costs: personnel, supplies, travel, equipment, and other. Indirect expenses and salary support for the mentor will not be covered.
7. Provide letters of support from the mentor including the mentor's role in the project, and from a representative of the applicant's institutional affiliation.

Applications should be submitted electronically as a single PDF by the established deadline to acheatham@lutinemanagement.com.
